

Get the most out of life in Southern California!

If you own a boat, you'll get so much more enjoyment out of it by joining a landed yacht club. Stretch your sea legs by learning new skills, participating in cruises and contests, and learn from your fellow club members. Whether your boat is built for speed, or for enjoying the journey, you'll meet other boaters with common interests.

If you don't own a boat, you'll still find many opportunities to revel in your love of the water. Our sense of camaraderie is strong, built from many years of common interest in all things nautical.

If it takes place on or in the water, you'll find it happening at SMWYC!

Founded by a cadre of yachting enthusiasts in 1941, Santa Monica Windjammers Yacht Club now brings together hundreds of individuals, couples, families, and friends to enjoy boating and social events.

SMWYC offers a unique combination of yachting excitement and value to our members. In addition to our bi-weekly dinners and weekend barbecues, members receive discounted rates on club rentals for private parties and business functions. Our bar is fully stocked, our staff is the best, and the clubhouse is an ideal location for both large and small gatherings.
